

Find the Collective Nouns

A collective noun names a group of people, animals, or things.

For example:

| group of people | group of animals | group of things |
|----------------------------|----------------------------|-----------------------------|
| a <u>class</u> of students | a <u>litter</u> of kittens | a <u>bouquet</u> of flowers |
| a <u>gang</u> of thieves | a <u>murder</u> of crows | a <u>forest</u> of trees |

Underline the collective noun or collective nouns in each sentence.

1. We saw a flock of birds in the sky.
2. I lost sight of my brother in the crowd.
3. The committee voted to extend the deadline.
4. My mother sings in the choir.
5. The group boarded the bus.
6. Our town's team won the championship.
7. The band entertained us all evening.
