

# Order of Adjectives

When using multiple adjectives, the adjectives are always presented in the following order:

- |             |             |
|-------------|-------------|
| 1. quantity | 6. shape    |
| 2. opinion  | 7. origin   |
| 3. size     | 8. material |
| 4. age      | 9. purpose  |
| 5. color    |             |

**Directions:** Write the letter of the sentence that has its adjectives in the correct order.
