

Name _____ **Demonstratives**

Demonstratives

Rewrite the second sentence in each pair below, using a demonstrative pronoun to simplify it.

1. We got a robot vacuum cleaner. The robot vacuum cleaner has saved us a lot of work.
2. John called me twelve times yesterday. I thought calling twelve times was excessive.
3. I have a part time jog that I do from home. This part time job really supplements my income.
4. Jill worries so much. I don't think worrying so much is healthy.
5. The lady said the little puppy cost three thousand dollars. I think three thousand dollars is too much for a little puppy.
6. We are expecting a lot of snow over the next few weeks. I am not looking forward to a lot of snow.
