

Name \_\_\_\_\_ **Explicit Information**

# Explicit vs. Implicit Information

Title of Text: \_\_\_\_\_

| What the text explicitly says: | What this passage implies: | Clues |
|--------------------------------|----------------------------|-------|
|                                |                            |       |
|                                |                            |       |
|                                |                            |       |
|                                |                            |       |
|                                |                            |       |
