

Name _____ **Explicit Information**

Explicit Information in Fiction

DIRECTIONS: Read the story. Choose a character in the story and fill out the graphic organizer about them, using information that is explicitly stated in the text. Write down the text evidence.

Name of character: _____

1. What are some things that the character does?

2. What are some things that the character says?

3. What are some things other characters or the narrator thinks or says about this character?

4. How would you describe this character, based on the explicit information that the author provides?
