

Drawing Conclusions

DIRECTIONS: Read the paragraph. Answer the questions.

It was quiet in the house. There was nothing but the soft sound of air coming from the heating vent in the floor. Jim turned over, sighed, and snuggled down into his cozy bed. Suddenly, an insistent beep beep beep startled him, and he groaned.

| Questions | I already know . . . | So I conclude . . . |
|-------------------------|----------------------|---------------------|
| What season is it? | | |
| Is it morning or night? | | |
| What makes the noise? | | |
