The image shows a matching exercise. On the left, there are six cartoon illustrations of farm animals: a sheep, a hen, a cat, a cow, a pig, and a horse. Each illustration is followed by a star. On the right, there are six text labels: 'pig', 'COW', 'horse', 'hen', 'sheep', and 'cat', each preceded by a star. Blue arrows connect the illustrations to their correct labels: Sheep to pig, Hen to hen, Cat to cat, Cow to COW, Pig to pig, and Horse to horse. There are also two thin black lines connecting the sheep star to the pig label and the pig star to the sheep label, which appear to be pre-drawn or accidental.
