71		73	74			77		79	
	82	83		85	86			89	
91			94	95		97	98		

- 1) Use the chart to count by fours by shading each number in yellow.
- 2) What do you notice about this pattern?
It is a repeated 2-3 pattern.
- 3) Use the table to count by threes by shading each number in blue. (If the number is already shaded in yellow, just outline it.)
- 4) What do you notice about this pattern? *It is a 3-2 pattern.*

How Did You Do? 😊 😐 ☹️
