

Prepositions

Prepositions show the relationship between two words in a sentence. In the following sentences, the prepositions are bolded.

She placed the cup **on** the table.

Frank sat **beside** Tim.

Find the preposition in each sentence. Write it on the line.

1. The scissors are in the cup.

2. Tina is at her desk.

3. I live near my friend Roger.

4. It's on the shelf above the books.

5. You'll find that beneath the sink.

6. The ball rolled under the sofa.

7. She went into her room.

8. Dylan went with Henry.

9. The ring slipped off her finger.
