

Name _____ **International Women's Day**

International Women's Day

International Women's Day is celebrated around the world every year on March 8th in recognition of women's cultural, political, social, and economic accomplishments. It is also a reminder that there is still some way to go to achieving true gender equality.

What are some ways that you can celebrate women's achievements on International Women's Day this year?

A large, empty rectangular frame with a decorative border. The corners of the frame are adorned with intricate floral and leaf patterns, while the rest of the border consists of simple parallel lines.

What are some ways that you can help to raise awareness about the need for women's equality?
