

Circle Graphs

(Worksheet 5)

The data shows the items sold in a shop in one day. Construct a circle graph and answer the questions below.

Items	Number
Milk bottle	20
Bread	10
Cereal box	5
Oil bottle	30
Juice	15

1. Which item was sold the most ?
2. Which item was sold the least ?
3. Was bread or juice sold less?
4. How many milk and oil bottles were sold altogether?
5. How many items were sold in total ?

Oil bottles

Cereal boxes

Bread

50 (20 + 30)

80
