The Hike

Katy loved to be outside, so she was very excited when she woke up one Saturday morning and her parents told her they were going on a hike.

"Wear comfortable shoes!" her dad told her.

Katy put on her sneakers.

"Bring a hat and put on sunscreen!" her mother said.

Katy found her hat and rubbed sunscreen onto her face.

"Come help me pack a snack," her mother called from the kitchen.

Katy flopped down on the sofa.

"What's wrong?" her mother asked.

"I'm too tired to hike," Katy told her. "Just getting ready is wearing me out!"
