

Conjunctions

Conjunctions connect words in a sentence. They also connect independent clauses to form a single sentence. When conjunctions are used, the result is a compound structure. A comma is used before the conjunction to separate the clauses. The most common conjunctions are:

and or but yet for

DIRECTIONS: Circle the conjunction in each sentence.

1. I like candy, yet I don't eat it.
2. I called Jim, and I texted him.
3. I will join you, but I am not hungry.
4. Call me later, for I have a question I want to ask you.
5. We can have pizza, or we can have hot dogs.
6. I will wait for you, or you can just come over later.
7. We try, but sometimes we don't succeed.
8. I texted him, but he didn't answer me.
