

Name _____ **Challenging Ideas**

Challenging Ideas

Write down the idea.

Is there an assumption hidden in this idea? What is it?

Identify any facts that might be mixed in with this assumption.

Why did you make this assumption?

Are there any counter-assumptions you could make to invalidate your assumption?

Reconsider the idea. Write the revised idea below.

Now that you have rooted out any assumptions, what questions can you ask to challenge the idea?
