

NAME: _____

MEASURING HEIGHT WORKSHEET

Directions: measure and record the results below each image. Circle the animals that are taller in each box.

A dashed-line box containing a vertical stack of 7 blocks on the left. To the right of the blocks are two animals: a dog and a bear. A vertical line next to the dog is labeled '3' blocks. A vertical line next to the bear is labeled '4' blocks.

A dashed-line box containing a vertical stack of 7 blocks on the left. To the right of the blocks are two animals: an owl and a rabbit. A vertical line next to the owl is labeled '2' blocks. A vertical line next to the rabbit is labeled '5' blocks.

A dashed-line box containing a vertical stack of 7 blocks on the left. To the right of the blocks are two animals: a giraffe and a cat. A vertical line next to the giraffe is labeled '7' blocks. A vertical line next to the cat is labeled '1' blocks.

A dashed-line box containing a vertical stack of 7 blocks on the left. To the right of the blocks are two animals: a bird and a deer. A vertical line next to the bird is labeled '1' blocks. A vertical line next to the deer is labeled '6' blocks.

How Did You Do? 😊 😐 ☹️
