

# Living and Nonliving Things

**Living things:**

move

reproduce

eat

breathe

have senses

grow

**Nonliving things:**

do not move

do not reproduce

do not eat

do not breathe

do not have senses

do not grow

**Write each word in the correct box.**

|      |          |          |              |
|------|----------|----------|--------------|
| book | phone    | child    | man          |
| tree | bacteria | envelope | monkey       |
| dog  | school   | flower   | tomato plant |

**Living**

**Nonliving**
