# SORT AND MATCH

Match the color and paste the correct ribbon color on top of the gift box.

The image shows a matching exercise. At the top, there are six colored squares arranged in two rows of three. The top row contains yellow, pink, and green squares. The bottom row contains blue, purple, and orange squares. Below these are six ribbon cutouts, also arranged in two rows of three. The top row of ribbons is yellow, orange, and purple. The bottom row of ribbons is green, pink, and blue. Colored arrows indicate the correct matches: a green arrow from the yellow square to the yellow ribbon, a blue arrow from the pink square to the pink ribbon, a green arrow from the green square to the green ribbon, a blue arrow from the blue square to the blue ribbon, a green arrow from the purple square to the purple ribbon, and a blue arrow from the orange square to the orange ribbon.
