

Name \_\_\_\_\_ **Digital Media**

# Digital Media

Digital Media is information that is stored and accessed in an encoded, machine-readable format. When you use a computer, tablet, or cellphone, you are accessing digital media. Forms of digital media include ebooks, videos, articles, advertisements, music, podcasts, audiobooks, virtual reality, or digital art.

1. Have you accessed any digital media today? With what kinds of devices?

2. What kind of digital media have you accessed today?
