

Name _____ **Precise Meanings**

Precise Meanings

DIRECTIONS: We use many words that have a general meaning. These general words almost always have a number of synonyms that mean something similar, but much more precise, than the general word. Circle the word in each pair that is more precise. Then write the precise meaning of the word on the line. Use a dictionary if needed.

run sprint

guffaw laugh

break fracture

write scribble

walk shuffle

fall stumble

sit slump

watch ogle

sculpture art
