

Name _____ **Homographs**

Homographs

Homographs are words that are spelled the same, but are not necessarily pronounced the same, and which have different meanings and origins. Read each sentence. Under each sentence, write a synonym for the bolded homograph.

1. Anna spent all day reading a **novel**.
2. I find eggplant hard to **digest**.
3. We plan to **contest** the ruling.
4. You might accidentally **tear** the paper.
5. That used table had only one small **defect**.
6. I am thinking of getting a **degree** in math.
7. I am going to **retake** the test I failed.
8. There isn't a single **object** on the shelf.
9. We will **proceed** as if we know what we are doing.
