

Name _____ **Deciding What Sources to Use**

Is It Biased?

1. What is the source you are considering about?

2. How is the source related to your topic or research question?

3. Does it present the issue in a positive, negative, or neutral way?

3. Does it present both sides of the issue?

4. Is the information backed up with facts and/or evidence?

5. Do you think the source is biased? Why or why not? If so, how?
