

# The 1920s

What was life like for teenagers in the 1920s? Conduct some general research to learn about the time period, what life was like, and the roles of teenagers during this time. Take notes on the material, and keep track of your sources.

1. What aspect of this decade with regards to the role of teenagers in the U.S. interests you the most?

2. In preparation for conducting additional research on this aspect, develop at least three questions about this aspect to which you would like to find the answers.

3. Now conduct the research to answer your questions. Write your answers on a separate page. When you have finished, identify one topic which you think would make a good informative essay about the lives of teenagers in the U.S. during the 1920s. Write a compelling topic sentence for your essay.
