

# Sarcasm

Sarcasm means using words in a way that conveys a meaning that is different from the literal meaning of the words. Typically, a sarcastic remark means the opposite of what is actually said, and can be abrasive and/or insincere. While sarcasm is often used to insult someone or to show irritation, it is usually intended to be funny. Chances are, you already use sarcasm every day.

**DIRECTIONS:** Write a sarcastic response to each question.

1. Are you hungry?
2. Did you get any sleep last night?
3. Do you like pizza?
4. I am not feeling too well today.
5. My cat ran away.
