

Name _____ **Boston Massacre**

Boston Massacre

If you Google "Boston Massacre," you will find it described in many different ways: a confrontation, a deadly riot, a skirmish, a street fight. Boston Massacre is the name that American Colonists gave to the event. The British call it the "incident at King Street." Having learned the facts of what happened on the night of March 5th, 1770, which side do you think deserves the blame for this event and why?

Do you think that American patriots like Paul Revere were justified in using the event to gather more support for their cause? Why or why not?
