

Individual Rights

A principle is a value that guides behavior or serves as the foundation for a belief system or line of reasoning. The United States Constitution rests on seven principles. One of these principles is called Individual Rights.

What does it mean to have Individual Rights?

What part of the Constitution includes Individual Rights?

What are some of the individual rights that are guaranteed by the U.S. Constitution? What does it mean to you?

Right	What does it mean to you?
