

Themes in *The Crucible*

The play *The Crucible* has multiple themes covering the range of topics listed below. A theme is not the same as a topic. A theme takes a position on a topic and is expressed as a complete sentence.

DIRECTIONS: Choose two of the topics. Restate each topic as a theme from the book. Then briefly discuss how Bradbury develops that theme.

intolerance

hysteria

reputation

goodness

judgement

social status

ownership

justice

Theme: _____

How is it developed? _____

Theme: _____

How is it developed? _____
