

# Precise Meanings

**DIRECTIONS:** Read the assigned text. Write down words that you encounter that have precise meanings. Look up each word, and write the precise meaning in the table.

| Word | Precise Meaning |
|------|-----------------|
|      |                 |
|      |                 |
|      |                 |
|      |                 |
|      |                 |
|      |                 |
|      |                 |
|      |                 |
|      |                 |
