

Name _____

Addition

Add the color pencils together and write the sum

$$\begin{array}{c} \text{Yellow pencil} \\ \text{Yellow pencil} \\ \text{Yellow pencil} \end{array} + \begin{array}{c} \text{Yellow pencil} \\ \text{Yellow pencil} \end{array} = \square$$

$$\begin{array}{c} \text{Red pencil} \end{array} + \begin{array}{c} \text{Red pencil} \\ \text{Red pencil} \\ \text{Red pencil} \end{array} = \square$$

$$\begin{array}{c} \text{Green pencil} \\ \text{Green pencil} \\ \text{Green pencil} \end{array} + \begin{array}{c} \text{Green pencil} \\ \text{Green pencil} \end{array} = \square$$

$$\begin{array}{c} \text{Blue pencil} \\ \text{Blue pencil} \\ \text{Blue pencil} \\ \text{Blue pencil} \end{array} + \begin{array}{c} \text{Blue pencil} \\ \text{Blue pencil} \\ \text{Blue pencil} \end{array} = \square$$

$$\begin{array}{c} \text{Purple pencil} \\ \text{Purple pencil} \\ \text{Purple pencil} \\ \text{Purple pencil} \\ \text{Purple pencil} \end{array} + \begin{array}{c} \text{Purple pencil} \\ \text{Purple pencil} \\ \text{Purple pencil} \\ \text{Purple pencil} \\ \text{Purple pencil} \end{array} = \square$$

$$\begin{array}{c} \text{Brown pencil} \\ \text{Brown pencil} \\ \text{Brown pencil} \\ \text{Brown pencil} \\ \text{Brown pencil} \end{array} + \begin{array}{c} \text{Brown pencil} \\ \text{Brown pencil} \\ \text{Brown pencil} \\ \text{Brown pencil} \end{array} = \square$$
