Constitutional Principles

1. What was one of the main concerns of the Founding Fathers in drafting the Constitution?

2. What did the Federalists and the Anti-Federalists disagree on?

3. What very real need did the Constitution have to be able to meet?

4. With what Constitutional principles did they solve their problem?

5. Why did the Founding Fathers choose Republicanism rather than setting up a Democracy?

6. Why did they choose Federalism as one of the Constitutional principles?

7. What Constitutional Principle directly affects your life every day?
