

Cause and Effect Essay

DIRECTIONS: Read your draft essay. Then ask and answer the questions below to evaluate the effectiveness of your essay.

What are the causes and the effects? Are there single or multiple effects and causes?

What elements should be emphasized? Are they effectively emphasized in your essay?

Does your essay use sequential order or reverse sequential order? Is the way you have ordered your points effective?

Does your essay draw conclusions about the implications or broader consequences of what you are discussing?
