

# Create an Infographic

**DIRECTIONS:** For this assignment, you will create an infographic online using a free account at [www.piktochart.com](http://www.piktochart.com) to communicate information about the assigned topic. Use text, graphics, charts, and numbers to communicate, analyze, and summarize information.

Topic: \_\_\_\_\_  
\_\_\_\_\_

Your infographic should be colorful and engaging, and communicate information in a way that is easy to grasp. Be sure to include the following:

- A title
- Section Headings
- At least three blocks of information
- At least one graph or chart
- At least four images
- Five to ten facts about the topic
- Non-fiction text that analyzes and summarizes the information you are presenting
- Your name
