

Road Signs

The shapes and colors of road signs communicate information. Match each blank sign to the kind of information it communicates.

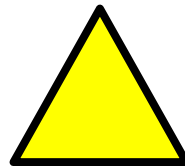

A. Don't do it.

B. Warning, pay attention.

C. Recreational spaces and activities.

D. Distance to the nearest major towns or cities, the names of roads, and the numbers of highway exits.

DIRECTIONS: Match each scenario with the shape and color of sign that is appropriate to it. Use the letters A through D above.

_____ 1. You are looking for a camp site.

_____ 2. You are looking for a particular highway exit.

_____ 3. You are on a road where trucks are not allowed.

_____ 4. The road ahead may have falling rocks.
