

Following Directions

DIRECTIONS: Follow the directions.

1. Draw one candle on the large cake.
2. Draw four candles on the small cake.
3. Write an addition problem whose answer is your age.

4. Don't solve the math problem. Instead, on the line, say what you got for your last birthday.

$3 + 7 =$ _____

5. Instead of solving the math problem, on the line, write what you would like as a gift for your next birthday.

$4 + 6 =$ _____
