

Virtual School

During the COVID-19 pandemic, many states conducted public education entirely virtually rather than students actually coming into the school. Conduct research on the following topic: ***Did virtual learning damage U.S. students?*** Before taking a position on the question:

Read at least three credible sources that think virtual learning DID damage U.S. students. List those sources below.

1. _____
2. _____
3. _____

Read at least three credible sources that think virtual learning DID NOT damage U.S. students. List those sources below.

1. _____
2. _____
3. _____

Take a position on this topic. What is your position?

Write your research paper. Be sure to include a bibliography.
