

Animal Farm

1. Summarize the plot of the story.

2. Match each plot part to what happens in the story.

Exposition

The animals overthrow the farmer and establish a socialist state called Animal Farm. The pigs become the leaders. Snowball and Napoleon compete for power.

Rising Action

The pigs manipulate the other animals into doing what they want them to do.

Climax

Old Major has a dream about the animals working together and being free of human oppression.

Falling Action

Some human farms come to the farm to eat dinner with the pigs. The other animals watching them at the table can't tell the pigs and the humans apart.

Resolution

Napoleon decides to sell the hen's eggs. The hens rebel. The rebellion is stopped and the hens are killed.
