

Quote Analysis: Theme

DIRECTIONS: Select a significant quote from the text (i.e., something that left an impression or that really highlights the author's message). Write it below.

What is the context of the quote? Who is speaking and to whom? When does the quote occur in the text? What is happening in the text as the quote occurs?

What is the theme of the text? What message is the author trying to convey?

How does this quote relate to that theme?

In the context of the theme, what do you think this quote means?
