

Name _____ *Show Don't Tell*

Show Don't Tell the Setting

DIRECTIONS: Answer each question about the setting of your story.

What kind of world is it (i.e., real, imaginary, etc.)?	
What is the time and place?	
What's the natural climate?	
What's the social/political climate?	

Now write an opening passage for your story that SHOWS rather than tells these things about the setting.
