

Name _____ **Idioms**

Idioms

An idiom is a phrase that has a figurative meaning that is different from its literal meaning.

Directions: Translate the idiom into literal language.

1. Jonathan has finally got a taste of his own medicine.
2. Fiona gave me the cold shoulder all day.
3. We spent the afternoon on a wild goose chase.
4. Hank quit his job. He has bigger fish to fry.
5. My father says I'm a chip off the old block.
6. I wish I'd never asked. Ignorance was bliss.
7. The reporter hit the nail on the head with that article.
8. Dylan said I was rude, and I told him it takes one to know one.
9. There was nothing to say at that point except, "Live and learn."
10. Be careful. You're already on thin ice with Mom.
