

Name _____ **Inferences**

Making Inferences

DIRECTIONS: Read each sentence and make an inference about the time of day the event is taking place.

1. As George walked down the hall towards his own apartment door, he could smell his neighbors' dinners.

Time of Day: _____

2. At the sound of birds chirping outside of his window, Barry slowly opened his eyes. Then he remembered. Today was the day.

Time of Day: _____

3. Frank opened his bedroom door quietly and listened. He heard only the ticking of the old grandfather clock in the hallway. He tiptoed towards the kitchen, thinking about the last piece of pie in the refrigerator.

Time of Day: _____

4. Mark sighed. He tried to concentrate on his math problems, but he couldn't help glancing at the clock. Twenty more minutes. Nineteen more minutes. His teacher's voice droned on.

Time of Day: _____
