

5 Finger Story Recount

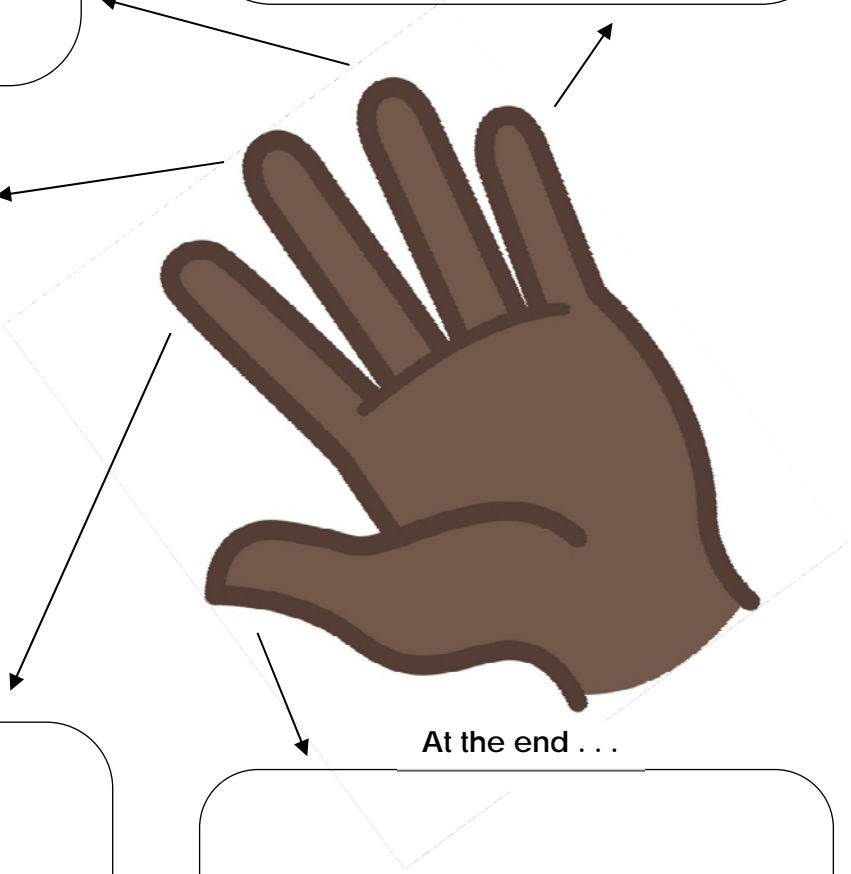

Next...

First...

Then...

After that...

At the end . . .

The diagram features a central illustration of a brown hand with five fingers spread. Five arrows originate from the hand, pointing to five separate rounded rectangular boxes arranged in a semi-circle around the hand. The boxes are labeled as follows: the thumb points to a box labeled 'At the end . . .', the index finger to 'After that...', the middle finger to 'Then...', the ring finger to 'Next...', and the pinky to 'First...'.
