

ANSWERS

1. the way an author expresses their attitude about what they are writing
2. Tone can be conveyed through syntax, point of view, diction, and the level of formality in writing.
3. Knowing, Deadpan, Affectionate
4. Austen gently pokes fun at her characters, but we also like and sympathize with them, which indicates that Austen likes them as well. Her humor, while sharp, is not mean-spirited or judgmental.
