

How did Native Americans Lose Their Land?

Conduct some initial research into this question. (Be sure to note your sources.)

1. List the series of most significant events that led to Native American tribes having lost almost all of the land in the United States that once belonged to them.
2. Choose one of the major significant events that you identified. What questions do you have about it? Write your questions down.
3. Research the answers to your questions. Be sure to keep track of your sources so that you can properly cite them later.
4. Based on your research and your specific area of interest, develop a topic sentence for an informative essay in which you will explain what you have learned to someone who is not familiar with the topic. Write your essay on a separate page.
