Resolve the Conflict

How would you resolve the conflict in each scenario?

A classmate is not doing their part on a group project.	Your mother will only buy one box of cookies and you and your sister don't like the same kind.
Your father says you can't go outside until you finish your homework, but there is just time for a quick walk before it rains.	Your friend is unnecessarily aggressive while you are playing a video game.
you finish your homework, but there is just	
you finish your homework, but there is just
