

Name _____ **Palindrome**

Palindrome

A palindrome is a kind of word play in which a word, phrase, or even a whole sentence is spelled the same way forwards as it is backwards.

DIRECTIONS: Put the words in each sentence in order so that they form a palindrome. Write the palindrome.

1. net ten slap animals I in a

2. cave Eva stab a can I bats in

3. no pets step on

4. Toyota now won he a eh

5. Ron Norma am I is as selfless as
