

# Us vs. Them

**YOUR ASSIGNMENT:** Answer the question: what do you think is the most polarizing issue in U.S politics today?

**RESEARCH:** Conduct research to answer the question. As you learn more, consider: what do you think are the best criteria for determining which information is most polarizing? How will you compare these criteria from issue to issue? Make sure that you are collecting the relevant information in your notes.

What issues might be “the most polarizing”? Write them below.
