

The Monkey

On her way home from school, Sarah saw a funny sight. Some kids were having a race in the park, and a monkey was racing with them. All the kids ran fast, but the monkey won!

When Sarah got home, she told her mother she saw something funny.

"Describe it to me," her mother said. "Tell me every detail."

Sarah told her mother about the monkey.

"Uh oh," Sarah's mother said. "That must be the monkey that escaped from the zoo today!"

"Well they will never catch him," Sarah said. "He's too fast!"
