Problem and Solution Text Structure

Text structure means the way that an author organizes the information in a text. There are different ways to organize a text, depending on what it is about and what its purpose is. A text organized by **problem/solution** presents a problem and then a solution to that problem.

DIRECTIONS: Read the assigned text.

What is the problem?

What is the solution?

Identify a key phrase or sentence from the text as evidence that this text uses the problem/solution structure.
