

# Transitions of Cause/Condition

Transition words are used in a sentence to connect two ideas. They join clauses, sentences, paragraphs, or entire sections of writing together to show a relationship between them. Different transition words signal different kinds of relationships. One kind of relationship that transition words can signal between ideas is cause or condition.

therefore

**DIRECTIONS:** Practice using and varying transitions of cause/condition by constructing six different sentences using the cause and condition provided below, using a different transition to connect them each time.

**Cause**      Ellen was raised by ministers.

**Condition**      Ellen is kind.
