

Using the Internet: Keywords

To find information on the Internet, you type keywords into the search bar. A keyword can be a word or a phrase that capture the essence of the information you are looking for. Practice thinking of keywords by writing three keywords you could use to find the answer to each question below.

1. Where can I get a puppy?

2. How do you take care of a young puppy?

3. What should you feed your puppy?

4. How do you housebreak a puppy?
