**DIRECTIONS:** Read the story. Then put the events in the pictures in order from 1 to 4.

Jimmy loved anything with wheels. As a baby, he would only fall asleep if he was in his car seat, being driven around. His parents got him a mini 4 x 4 for his 5<sup>th</sup> birthday, and Jimmy drove it around until he could no longer fit into the seat. When he was 7, he got a bicycle. At 16, his parents couldn't afford to get him a car, so he rode a scooter everywhere. By the time Jimmy was 20, he was a famous Nascar driver, winning many races and exciting many fans!
